Member Profile

2008 Coal Creek Station & Falkirk Mine Tour

Tour Dates Tue., Wed., & Thur. June 17, 18 & 19, 2008

Many of our past tour guests
have wanted addresses of participants that they traveled with on the tour.
The Co-op would also like to help everyone get to know each other quicker on this tour
by providing some contact information and points of interests about yourself.

Please fill this profile out and mail it back with your registration.
Tell us some interesting things you would like others to know about yourself.
This can help "generate" some common interests between our travelers.
If you are an adult, tell us about your hobbies, kids, grandkids, career, special interests etc.
If you are a student, tell us about yourself & your family, school, career plans, special interests etc.
We will make a booklet out of these information sheets for each family.

Name of person attending: ***Print Name & Nicknames***
